Help for Carers Croydon

(www.helpforcarers.org.uk/croydon)

EVERY DAY 6,000 PEOPLE BECOME CARERS, LOOKING AFTER FAMILY OR FRIENDS WHO ARE FRAIL,
SERIOUSLY ILL OR DISABLED

Croydon Help for Carers are a local charity supporting carers.

Our services include advice and advocacy, social events, wellbeing activities, carers' assessments and a support group for carers who are juggling work with caring.

Caring for someone can take its toll on health, social life, career and relationships.

To continue supporting the person they care for, carers really need time to look after themselves.
